2.5 MILE WALK

Take a leisurely stroll – or a brisk walk or jog – around the Indian Hills perimeter to experience the natural beauty of the area. Start at the club entrance and follow Breeze Hill Road east. Turn north on Fresh Pond Road and make your way through the neighborhood to a private trail through the Indian Hills golf course. You'll emerge on the beach and go west along the coastline toward Makamah beach, then south on Makamah Road, and finally east on Breeze Hill back to the club entrance. It's one of the most scenic paths in the area.

DEL VINO VINEYARDS

The best Long Island wines don't all originate on the East End. Tucked away in nearby Northport, the Del Vino Vineyards team cultivates 5 traditional grape varieties on 11 hedged acres to create several vintages of the finest wines.

Del Vino also offers a menu featuring fresh ingredients and wine pairings that delivers a Napa Valley-level experience without leaving the Fort Salonga area.
